

Dear Sirs,

To provide highest standards of our services provided, Dor-Cel Sp. z o.o. launched the procedure of gaining the status of Authorized Economic Operator (AEO enterprise). Fulfillment of the requirements is closely connected to the obligation of providing high security level during chain supply arrangement.

Authorized Economic Operator status provides a list of privileges allowing speeding the cargo flow and customs formalities at transportation highest security standards remaining.

Our enterprise shall be able to inform in advance about shipment chosen for control and we shall be able to provide import shorten declaration with security data limited range. There would be decreased amount of customs inspections and documentation check. Inspected cargo shall be treated with priority. We would be allowed to apply for control in different place than in Customs Office.

One of the condition to gain Authorized Economic Operator status is to check the security level demands secured by your enterprise as your partner.

I would like to thank you in advance for filling attached Security Declaration with the signature/stamp of authorized person to represent your enterprise. Receiving the Declaration back and its presentation may have impact on Customs Authorities’.
